## Introducing our new “Cathedral” Divine Mercy Image!

We are now offering reproductions of our new “Cathedral” Divine Mercy image which was painted in oil, on canvas, and delivered to St. Mary’s Cathedral in the Archdiocese of Miami. It was displayed on time for the celebration of the beatification of the Venerable Pope John Paul II on Divine Mercy Sunday.

Canvas and paper reproductions of this life-sized image can be obtained at any size, starting from 3 feet on up to 10 feet tall or larger for your parish or home. The detail in this new image is superb. It was commissioned by us to obtain a high definition image base for large “Cathedral” size reproductions.

We have framed “Cathedral” images in stock, ready to ship. Please see our [Cathedral Image price list on this page](#). You may also call us toll-free at 1-888-732-0722 for orders or pricing info. Please note that the pictures below are the actual photos of the image. We have an enhanced version of this painting that we make available with a [blue background](#). If you want the original below, please note this on the order.
